

Starlight

Our aim is to brighten the lives of all seriously ill and hospitalised children, and their families throughout Australia.

Thank you for your support!

To whom it may concern,

This letter is to confirm that **David Andersen & the Social Motorcycle Riders Community** will be conducting fundraising activities in support of the Starlight Children's Foundation Australia.

NAME OF EVENT: A Penny for Your Dreams

DATE: Saturday 17th March 2012

Since 1988, Starlight Children's Foundation has brightened the lives of seriously ill and hospitalised children and their families by delivering innovative programs that restore the laughter and joy that serious illness takes away.

Every year, over 600,000 children are admitted to hospitals across Australia. Living with illness or injury can cause enormous strain in the lives of children and their families. The everyday joys of childhood often take a backseat to the stress of treatment and hospitalisation.

Starlight's programs connect these children and their families with the magic of the Starlight world:

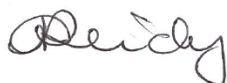

- **Captain Starlight** – magical super heroes bringing unlimited entertainment, fun & laughter
- **Starlight Express Rooms, Starlight TV/Radio & Fun Centres** – diversion and entertainment in all major paediatric hospitals throughout Australia.
- **Starlight Wishgranting** – providing once-in-a-lifetime experiences for children

Starlight receives no government funding and relies solely on the dedication and generosity of people and organizations like David Andersen & the Social Motorcycle Riders Community to be able to spread so much happiness. We would be delighted if you could support this amazing event to help us brighten the lives of *more* seriously ill children and their families.

Thank you for your support!
